### Public Invited to View Logic and Accuracy Test Ahead of PPP

Clay County Supervisor of Elections, Chris H. Chambless, invites the public to observe the Logic and Accuracy (L&A) Test for the Presidential Preference Primary Election. The L&A Test will be held on February 28, 2020 at 9 AM at the Supervisor of Elections Office, located at 500 N. Orange Avenue, Green Cove Springs, Florida 32043.

L&A testing is conducted prior to every election, as required by Florida law. Test ballots are processed through the tabulation equipment to certify it's accurately counting and recording votes. The process is open to the public and all interested parties are invited to attend.

The Supervisor of Elections Office wants Clay County voters to cast their ballots with confidence. We're dedicated to the process of conducting fair, secure, and transparent elections.
