Join us for a Logic & Accuracy Test

Join us on Friday, October 9 at 9 AM for the Logic and Accuracy Test (L&A) for the 2020 General Election. L&A testing will be held at the Clay County Supervisor of Elections Office, located at 500 N. Orange Avenue in Green Cove Springs.

As required by Florida law, L&A testing is conducted prior to every election. Test ballots are processed through the tabulation equipment to certify it's accurately counting and recording votes. This event is open to the public and gives voters the opportunity to see a crucial part of the elections process.

Clay County Elections Office is dedicated to conducting safe and secure elections, and to ensure voters cast their ballots with confidence.
