

Mail Ballots

Open Mail Ballots

Volunteers make up 3-4 person teams to remove ballots from envelopes and from secrecy sleeves, flatten ballots, to be tabulated. The process ensures the voter's right to a secret ballot.

Duplicate Mail Ballots

Volunteers work in pairs to duplicate mail ballots which cannot be read by the optical scanners. The ballot is then presented to the Canvassing Board for approval.

Fair & Festivals

❖ Annual Clay County Fair

Volunteers assist residents who wish to register to vote or update their registration information, answer any questions voters may have, pass out informational material, and facilitate the voting of a fun ballot provided by the Supervisor of Elections Office.

❖ Various Festivals

Volunteers assist residents who wish to register to vote or update their registration information, answer any questions voters may have, and pass out informational material.

Schools

☛ Sunshine State Young Readers Award (SSYRA) Program

Volunteers assist staff by setting up voting booths, passing out ballots to the students, and helping students run their ballots through the tabulation machine.

☛ High School Registration Drive

Volunteers assist students as they register to vote and update their information.

☛ High School Elections

Volunteers assist staff by setting up voting booths, passing out ballots to the students, and helping students run their ballots through the tabulation machine.

Supervised Voting

Volunteers and employees from the Supervisor of Elections office visit each nursing home and assisted living facility to provide residents the opportunity to vote.
