### Calling All Artists: Clay County Wants Your Help to Design new “I Voted” Sticker

The Clay County Supervisor of Elections Office is preparing for the 2024 Presidential Election and is excited to include a custom “I Voted” sticker for the upcoming election season to help spread the word to get out and vote.

The “I Voted” sticker is a fixture at polling locations and proudly worn by voters. This tiny piece of art also serves as encouragement to others to get engaged in the process. To increase a sense of community, showcase local talent, and motivate voters, Supervisor of Elections Chris H. Chambless is inviting Clay County residents, 14 and older, to submit their unique design for an “I Voted” sticker.

Participants are asked to create original artwork, using the guidelines and templates provided, that represents the themes of Clay County, elections, and democracy. The winning piece will be used to create a unique “I Voted” sticker to be distributed throughout 2024 to Clay County’s over 164,500 registered voters.

Both hand-drawn and digital submissions will be accepted from now until Sunday, November 5, 2023. For the full list of guidelines, template, and instructions to submit your artwork, please visit **ClayElections.gov**
