Early Voting for 2024 Primary Begins August 8; New Location Announced

The convenience of Early Voting means Clay County voters can cast a ballot on their own schedule—at a time and place that's convenient for them! Beginning Thursday, August 8, through Saturday, August 17, all seven Early Vote locations will be open from 8 AM to 6 PM daily, including the weekends. Secure Ballot Intake Stations will also be available inside each Early Voting location during these days and times.

This election season, voters will notice a change in the Early Vote location for Fleming Island. While the Fleming Island Library has long served as a popular Early Vote location, now Early Voting will be held next door at the Health Department in Fleming Island, Building 600, at 1845 Town Center Blvd.

Clay County Early Vote locations also include: Eagle Landing Residents Club, Keystone Heights City Hall, Middleburg Civic Center, Orange Park Library, Thrasher-Horne Conference Center, and the Supervisor of Elections Office in Green Cove Springs. Visit **EarlyVoteClay.com** for addresses and real-time data regarding wait times.

If you have questions, or need more information, call our office at (904) 269-6350 or visit **ClayElections.gov** your source for verified election information.
