### You're invited: View the PPP Logic & Accuracy Test

Clay County Supervisor of Elections Chris H. Chambless invites the public to attend the Logic & Accuracy (L&A) Test for the Presidential Preference Primary Election at 9 AM on Friday, March 1. The L&A will be held at the Supervisor of Elections Office at 500 N. Orange Ave in Green Cove Springs.

The L&A is the required public testing of the election equipment held prior to every election. Test ballots are processed through the tabulation equipment to certify it's accurately counting and recording votes. The process is open to the public and all interested parties are invited to attend.

The Supervisor of Elections Office wants Clay County voters to cast their ballots with confidence. We're dedicated to the process of conducting fair, secure, and transparent elections.
